**Subject:** Revised Charging to the Gold King Mine Incident

Below is revised guidance for site charging to Gold King Mine. **Pls note the site/project code change from A6LSxx00 to A8K9RV00. Staff who have charges to A6LS in PP+ or TA will need to amend it to reflect A8K9RV00.**

Thanks,

Good Morning Everyone,

We realize the collaborative guidance sent out by OB/OSWER left many questions unanswered. Below is some further guidance for everyone based on multiple site charging situations:

**This applies to all Superfund and non-Superfund employees.**

**Regular Time:**

Working 100% on GKM – site charge 100% to the account favorite loaded in PPL+ (2015 T 06L 303DC6 A8K9RV00).

Working less than 100% on GKM – only site charge to the account favorite loaded in PPL+ (2015 T 06L 303DC6 A8K9RV00) for the hours you actually worked on the site.

**Overtime:**

Should all be charged to the account favorite loaded for you in PPL+ (2015 T 06L 303DC6 A8K9RV00).

You will have to enter one line for regular time and another for overtime, assuming you are working both regular and overtime hours.

**Site-Travel**

**Site Travel to GKM for staff outside of Superfund needs to be Crossfunded by SF.** Contact Cincinnati Help Desk to attach following Superfund crossfund information to TA before the TA is signed:

Organization: EPAR06SF

**Label: 15 SF Crossfund GKM**

Superfund staff will charge site travel to GKM using 2015 T 06L 303DC6 A8K9RV00

**Please ensure you are no longer charging to A6LSXX00.**

**If you have questions regarding payroll please contact Cindy Brown in the REOC at 214-665-9705, or Missy Milbeck at 214-665-6540.**

**If you have questions regarding travel please contact Patricia Sonntag at 214-665-2213.**
